## **About the Aboriginal Business and Community Development Centre**

We are a results oriented team of professionals, working together in unity to provide a full spectrum of culturally, client sensitive, business and economic development services to assist Aboriginal individuals, organizations and communities to achieve 'their' full potential.

Aboriginal Business and Community Development Centre is involved in business, community, and economic development. This would include but is not limited to assistance with market research, business plan development, financial forecasting, small business loan acquisition, community economic development, economic development training and conference coordination.

### **Financial Literacy Workshops**

The workshops cover topics such as assets, budgeting, consumerism, credit, and banking.

### **Rent Bank**

The Rent Bank program provides loans for families and individuals to help secure housing, prevents residential evictions, avoids termination of utilities and assists homeless individuals with a loan for damage deposit, utility hook-up costs and first month's rent.

### **Saving Circle**

Saving Circle is a free matched savings program offering low-income people the opportunity to save towards required equity and gain money management skills.
